| Article Name               | CTNNA1 monoclonal antibody, clone FBO-3, Clone: [FBO-3], Rabbit, Monoclonal     |
| Biozol Catalog Number      | ABN-MAB19644                                                                    |
| Supplier Catalog Number    | MAB19644                                                                        |
| Alternative Catalog Number | ABN-MAB19644-100                                                                |
| Manufacturer               | Abnova                                                                          |
| Host                       | Rabbit                                                                          |
| Category                   | Antikörper                                                                      |
| Application                | FC, ICC, IF, IHC-P, IP, WB                                                      |
| Species Reactivity         | Human                                                                           |
| Immunogen                  | A synthetic peptide corresponding to human CTNNA1.                              |
| Product Description        | Rabbit monoclonal antibody raised against synthetic peptide of human CTNNA1.... |
| Clonality                  | Monoclonal                                                                      |
| Clone Designation          | [FBO-3]                                                                         |
| UniProt                    | 1495                                                                            |
| Buffer                     | In PBS, 150 mM NaCl, pH 7.4 (50% glycerol, 0.02% sodium azide).                 |
| Form                       | Liquid                                                                          |

|                    |                                                                                                                                                                                                                                         |
