| Article Name               | Enterovirus 71 monoclonal antibody, clone HM672, IgG1, Clone: [HM672], Mouse, Monoclonal  |
| Biozol Catalog Number      | ABN-MAB21906                                                                              |
| Supplier Catalog Number    | MAB21906                                                                                  |
| Alternative Catalog Number | ABN-MAB21906-1                                                                            |
| Manufacturer               | Abnova                                                                                    |
| Host                       | Mouse                                                                                     |
| Category                   | Antikörper                                                                                |
| Application                | ELISA, IF                                                                                 |
| Species Reactivity         | Virus                                                                                     |
| Product Description        | Mouse monoclonal antibody raised against Enterovirus 71....                               |
| Clonality                  | Monoclonal                                                                                |
| Clone Designation          | [HM672]                                                                                   |
| Isotype                    | IgG1                                                                                      |
| Buffer                     | In 10 mM Phosphate Buffered Saline, pH 7.2 (0.09% sodium azide).                          |
| Form                       | Liquid                                                                                    |
| Application Dilute         | ELISAImmunofluorescenceThe optimal working dilution should be determined by the end user. |
