| Article Name               | Rabbit anti-Galectin 9 Antibody, Polyclonal                                                                                               |
| Biozol Catalog Number      | DLD-DL90680A                                                                                                                              |
| Supplier Catalog Number    | DL90680A                                                                                                                                  |
| Alternative Catalog Number | DLD-DL90680A-100,DLD-DL90680A-50                                                                                                          |
| Manufacturer               | DLDEVELOP                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                    |
| Category                   | Antikörper                                                                                                                                |
| Application                | IF, IHC, WB                                                                                                                               |
| Species Reactivity         | Human                                                                                                                                     |
| Immunogen                  | KLH-conjugated synthetic peptide encompassing a sequence within the center region of human Galectin 9. The exact sequence is proprietary. |
| Clonality                  | Polyclonal                                                                                                                                |
| Concentration              | 1mg/mL                                                                                                                                    |
| NCBI                       | <a href="#">3965</a>                                                                                                                      |
| UniProt                    | <a href="#">O00182</a>                                                                                                                    |
| Buffer                     | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                 |
| Purity                     | The antibody was purified by immunogen affinity chromatography.                                                                           |

|                    |                                                                |
|--------------------|----------------------------------------------------------------|
| Application Dilute | WB (1/500 - 1/1000), IH (1/100 - 1/200), IF/IC (1/100 - 1/500) |
|--------------------|----------------------------------------------------------------|
