| Article Name               | Rabbit anti-TIN2 Antibody, Polyclonal                                                                                               |
| Biozol Catalog Number      | DLD-DL91613A                                                                                                                        |
| Supplier Catalog Number    | DL91613A                                                                                                                            |
| Alternative Catalog Number | DLD-DL91613A-100,DLD-DL91613A-50                                                                                                    |
| Manufacturer               | DLDEVELOP                                                                                                                           |
| Host                       | Rabbit                                                                                                                              |
| Category                   | Antikörper                                                                                                                          |
| Application                | IHC, WB                                                                                                                             |
| Species Reactivity         | Human                                                                                                                               |
| Immunogen                  | KLH-conjugated synthetic peptide encompassing a sequence within the center region of human TIN2. The exact sequence is proprietary. |
| Clonality                  | Polyclonal                                                                                                                          |
| Concentration              | 1mg/mL                                                                                                                              |
| NCBI                       | <a href="#">26277</a>                                                                                                               |
| UniProt                    | <a href="#">Q9BSI4</a>                                                                                                              |
| Buffer                     | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                           |
| Purity                     | The antibody was purified by immunogen affinity chromatography.                                                                     |
| Application Dilute         | WB (1/500 - 1/1000), IH (1/100 - 1/200)                                                                                             |
