| Category                   | Antikörper                                                                                                |
| Application                | WB                                                                                                        |
| Species Reactivity         | Human                                                                                                     |
| Immunogen                  | Recombinant full length protein of human DNAJC19                                                          |
| Clonality                  | Polyclonal                                                                                                |
| Concentration              | 1mg/mL                                                                                                    |
| NCBI                       | <a href="#">131118</a>                                                                                    |
| UniProt                    | <a href="#">Q96DA6</a>                                                                                    |
| Buffer                     | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide. |
| Purity                     | The antibody was purified by immunogen affinity chromatography.                                           |
| Application Dilute         | WB (1/500 - 1/2000)                                                                                       |
