| Category                   | Antikörper                                                                                                                                                              |
| Application                | WB                                                                                                                                                                      |
| Species Reactivity         | Human                                                                                                                                                                   |
| Immunogen                  | KLH-conjugated synthetic peptide encompassing a sequence within the N-term region of human Histone H4 with a site at MonoMethyl-K12. The exact sequence is proprietary. |
| Clonality                  | Polyclonal                                                                                                                                                              |
| Concentration              | 1mg/mL                                                                                                                                                                  |
| NCBI                       | <a href="#">121504</a>                                                                                                                                                  |
| UniProt                    | <a href="#">P62805</a>                                                                                                                                                  |
| Buffer                     | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                                               |
| Purity                     | The antibody was purified by immunogen affinity chromatography.                                                                                                         |
