| Category                   | Antikörper                                                                                                                                                                |
| Application                | IF, IH, WB                                                                                                                                                                |
| Species Reactivity         | Human                                                                                                                                                                     |
| Immunogen                  | KLH-conjugated synthetic peptide encompassing a sequence within the C-term region of human Kir5.1 with a phosphorylation site at S416. The exact sequence is proprietary. |
| Clonality                  | Polyclonal                                                                                                                                                                |
| Concentration              | 1mg/mL                                                                                                                                                                    |
| NCBI                       | <a href="#">3773</a>                                                                                                                                                      |
| UniProt                    | <a href="#">Q9NPI9</a>                                                                                                                                                    |
| Buffer                     | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                                                 |
| Purity                     | The antibody was purified by immunogen affinity chromatography.                                                                                                           |

|                    |                                                              |
|--------------------|--------------------------------------------------------------|
| Application Dilute | WB (1/500 - 1/1000), IH (1/50 - 1/200), IF/IC (1/50 - 1/200) |
