## Product Datasheet

### **CD71 / Transferrin Receptor (TFRC) (Extracellular Domain)(TFRC/2898R), 0.2mg/mL, Clone: [TFRC/2898R], Rabbit, Monoclonal BOT-BNUB2898-500**

|                            |                                                                                                                                                                                                                                                                |

| Species Reactivity         | Human                                                                                                                                                                                                                                                          |
| Immunogen                  | Recombinant human extracellular TFRC protein fragment (aa94-212) (exact sequence is proprietary)                                                                                                                                                               |
| Product Description        | Recognizes a ~90-95 kDa protein which is identified as cell surface transferrin receptor (CD71), a disulfide-bonded homodimeric glycoprotein of 180-190 kDa. This MAbs is highly specific to CD71 and shows no cross-reaction with other related proteins. ... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                     |
| Concentration              | 0.2 mg/mL                                                                                                                                                                                                                                                      |
| Clone Designation          | [TFRC/2898R]                                                                                                                                                                                                                                                   |
