| Manufacturer               | Bioworld Technology                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                  |
| Application                | WB                                                                                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                           |
| Immunogen                  | Synthetic peptide, corresponding Human NMS.                                                                                                                 |
| Conjugation                | Unconjugated                                                                                                                                                |
| Product Description        | Neuromedin-S, Implicated in the regulation of circadian rhythms through autocrine and/or paracrine actions....                                              |
| Molecular Weight           | ~ 18 kDa                                                                                                                                                    |
| UniProt                    | <a href="#">Q5H8A3</a>                                                                                                                                      |
| Purity                     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE). |
| Form                       | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2                                                                                      |

|                    |                                                                   |
|--------------------|-------------------------------------------------------------------|
| Application Dilute | WB: 1:500~1:1000                                                  |
| Application Notes  | NMS polyclonal antibody detects endogenous levels of NMS protein. |
