| Immunogen                  | Recombinant fusion protein of human CD127/IL7R(NP_002176.2).                                                                                                                                                                                                  |
| Conjugation                | Unconjugated                                                                                                                                                                                                                                                  |
| Product Description        | The protein encoded by this gene is a receptor for interleukin 7 (IL7). The function of this receptor requires the interleukin 2 receptor, gamma chain (IL2RG), which is a common gamma chain shared by the receptors of various cytokines, including inte... |
| Molecular Weight           | 72KDa                                                                                                                                                                                                                                                         |
| UniProt                    | <a href="#">P16871</a>                                                                                                                                                                                                                                        |
| Purity                     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE).                                                                                                   |

|                    |                                                            |
|--------------------|------------------------------------------------------------|
| Form               | 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2 |
| Application Dilute | WB,1:500 - 1:2000 IP,1:50 - 1:100                          |
| Application Notes  | Unmodification                                             |
