## Product Datasheet

### **Human LAMC3 / Laminin Gamma 3 Protein (Recombinant Myc-DDK (Flag)) (Full Length) - LS-G71309 LS-G71309-20**

|                            |                                                                                              |
|----------------------------|----------------------------------------------------------------------------------------------|
| Article Name               | Human LAMC3 / Laminin Gamma 3 Protein (Recombinant Myc-DDK (Flag)) (Full Length) - LS-G71309 |
| Biozol Catalog Number      | LS-G71309-20                                                                                 |
| Supplier Catalog Number    | LS-G71309-20                                                                                 |
| Alternative Catalog Number | LS-G71309-20                                                                                 |
| Manufacturer               | LifeSpan Biosciences                                                                         |
| Category                   | Proteine/Peptide                                                                             |
| Product Description        | Purified recombinant protein of Homo sapiens laminin, gamma 3 (LAMC3)....                    |
| Molecular Weight           | 169.4 kDa                                                                                    |
| Tag                        | Myc-DDK (Flag)                                                                               |
| NCBI                       | <a href="#">10319</a>                                                                        |
| Source                     | Human                                                                                        |
| Purity                     | > 80% as determined by SDS-PAGE and Coomassie blue staining                                  |
| Form                       | Supplied in 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol.                            |
