| Article Name               | Human KLF2 Protein (Recombinant Myc-DDK (Flag)) (Full Length) - LS-G71312     |
| Biozol Catalog Number      | LS-G71312-20                                                                  |
| Supplier Catalog Number    | LS-G71312-20                                                                  |
| Alternative Catalog Number | LS-G71312-20                                                                  |
| Manufacturer               | LifeSpan Biosciences                                                          |
| Category                   | Proteine/Peptide                                                              |
| Product Description        | Purified Recombinant protein of human Kruppel-like factor 2 (lung) (KLF2).... |
| Molecular Weight           | 37.2 kDa                                                                      |
| Tag                        | Myc-DDK (Flag)                                                                |
| NCBI                       | <a href="#">10365</a>                                                         |
| Source                     | Human                                                                         |
| Purity                     | > 80% as determined by SDS-PAGE and Coomassie blue staining                   |
| Form                       | Supplied in 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol.             |
