| Alternative Catalog Number | LS-G71318-20                                                                                       |
| Manufacturer               | LifeSpan Biosciences                                                                               |
| Category                   | Proteine/Peptide                                                                                   |
| Product Description        | Purified Recombinant protein of human neurogenin 1 (NEUROG1)....                                   |
| Molecular Weight           | 25.5 kDa                                                                                           |
| Tag                        | Myc-DDK (Flag)                                                                                     |
| NCBI                       | <a href="#">4762</a>                                                                               |
| Source                     | Human                                                                                              |
| Purity                     | > 80% as determined by SDS-PAGE and Coomassie blue staining                                        |
| Form                       | Supplied in 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol.                                  |
