| Alternative Catalog Number | LS-G71722-20                                                                                                |
| Manufacturer               | LifeSpan Biosciences                                                                                        |
| Category                   | Proteine/Peptide                                                                                            |
| Product Description        | Purified Recombinant protein of human guanosine monophosphate reductase 2 (GMPR2), transcript variant 1.... |
| Molecular Weight           | 39.6 kDa                                                                                                    |
| Tag                        | Myc-DDK (Flag)                                                                                              |
| NCBI                       | <a href="#">51292</a>                                                                                       |
| Source                     | Human                                                                                                       |
| Purity                     | > 80% as determined by SDS-PAGE and Coomassie blue staining                                                 |
| Form                       | Supplied in 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol.                                           |
