| Category                   | Antikörper                                                                                                                                                                                                                                  |
| Application                | ICC, IHC                                                                                                                                                                                                                                    |
| Species Reactivity         | Human                                                                                                                                                                                                                                       |
| Conjugation                | FL490                                                                                                                                                                                                                                       |
| Product Description        | Our Anti-Mylein Basic Protein rabbit polyclonal primary antibody from Antibodies Incorporated is produced in-house. It detects human Mylein Basic Protein, and is purified by protein a chromatography. It is great for use in IHC, ICC.... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                  |
| Concentration              | 0.5 mg/mL                                                                                                                                                                                                                                   |
| Molecular Weight           | 20 kDa                                                                                                                                                                                                                                      |
| UniProt                    | <a href="#">P02686</a>                                                                                                                                                                                                                      |

|               |                                      |
|---------------|--------------------------------------|
| Buffer        | PBS with 0.09% azide                 |
| Form          | Purified by Protein A Chromatography |
| Target        | Mylein Basic Protein                 |
| Antibody Type | Primary Antibody                     |
