## Product Datasheet

### Anti-EBAG9 ATA-HPA021153

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Anti-EBAG9                                                         |
| Biozol Catalog Number      | ATA-HPA021153                                                      |
| Supplier Catalog Number    | HPA021153                                                          |
| Alternative Catalog Number | ATA-HPA021153-100,ATA-HPA021153-25                                 |
| Manufacturer               | Atlas Antibodies                                                   |
| Host                       | Rabbit                                                             |
| Category                   | Antikörper                                                         |
| Application                | IHC                                                                |
| Species Reactivity         | Human                                                              |
| Immunogen                  | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Conjugation                | Unconjugated                                                       |
| Product Description        | estrogen receptor binding site associated, antigen, 9...           |
| Clonality                  | Polyclonal                                                         |
| Concentration              | 0.3 mg/ml                                                          |
| Isotype                    | IgG                                                                |
| NCBI                       | <a href="#">9166</a>                                               |
| UniProt                    | <a href="#">O00559</a>                                             |

|                    |                                                                                               |
|--------------------|-----------------------------------------------------------------------------------------------|
| Buffer             | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.                   |
| Purity             | Affinity purified using the PrEST antigen as affinity ligand                                  |
| Sequence           | RGRKLSGDQITLPTTVDYSSVPKQTDVEEWTSWDEDAPTSVKIEGGNGNVAT<br>QQNSLEQLPDIYFKDMPTIRKTQKIVIKKREPLNFGI |
| Storage            | Store at +4°C for short term storage. Long time storage is recommended at -20°C.              |
| Target             | EBAG9                                                                                         |
| Antibody Type      | Monoclonal Antibody                                                                           |
| Application Dilute | IHC: 1:200 - 1:500                                                                            |
