## Product Datasheet

### Anti-MMAB ATA-HPA039017

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Anti-MMAB                                                          |
| Biozol Catalog Number      | ATA-HPA039017                                                      |
| Supplier Catalog Number    | HPA039017                                                          |
| Alternative Catalog Number | ATA-HPA039017-100,ATA-HPA039017-25                                 |
| Manufacturer               | Atlas Antibodies                                                   |
| Host                       | Rabbit                                                             |
| Category                   | Sonstiges                                                          |
| Application                | ICC, IHC, WB                                                       |
| Species Reactivity         | Human                                                              |
| Immunogen                  | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Conjugation                | Unconjugated                                                       |
| Product Description        | methylnalonic aciduria (cobalamin deficiency) cbIB type...         |
| Clonality                  | Polyclonal                                                         |
| Concentration              | 0.2 mg/ml                                                          |
| Isotype                    | IgG                                                                |
| NCBI                       | <a href="#">326625</a>                                             |
| UniProt                    | <a href="#">Q96EY8</a>                                             |

|                    |                                                                                         |
|--------------------|-----------------------------------------------------------------------------------------|
| Buffer             | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.             |
| Purity             | Affinity purified using the PrEST antigen as affinity ligand                            |
| Sequence           | AFILPSGGKISSALHFCRAVCRRRAERRVVPLVQMGETDANVAKFLNRLSDYLF<br>TLARYAAMKEGNQEKIYMKNDPSAESEGL |
| Storage            | Store at +4°C for short term storage. Long time storage is recommended at -20°C.        |
| Target             | MMAB                                                                                    |
| Antibody Type      | Monoclonal Antibody                                                                     |
| Application Dilute | ICC-IF: 0.25-2 µg/ml, IHC: 1:500 - 1:1000, WB: 0.04-0.4 µg/ml                           |
