## Product Datasheet

### Anti-BSPH1 ATA-HPA048335

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Anti-BSPH1                                                         |
| Biozol Catalog Number      | ATA-HPA048335                                                      |
| Supplier Catalog Number    | HPA048335                                                          |
| Alternative Catalog Number | ATA-HPA048335-100,ATA-HPA048335-25                                 |
| Manufacturer               | Atlas Antibodies                                                   |
| Host                       | Rabbit                                                             |
| Category                   | Sonstiges                                                          |
| Application                | IHC                                                                |
| Species Reactivity         | Human                                                              |
| Immunogen                  | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Conjugation                | Unconjugated                                                       |
| Product Description        | binder of sperm protein homolog 1...                               |
| Clonality                  | Polyclonal                                                         |
| Concentration              | 0.05 mg/ml                                                         |
| Isotype                    | IgG                                                                |
| NCBI                       | <a href="#">100131137</a>                                          |
| UniProt                    | <a href="#">Q075Z2</a>                                             |

|                    |                                                                                  |
|--------------------|----------------------------------------------------------------------------------|
| Buffer             | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.      |
| Purity             | Affinity purified using the PrEST antigen as affinity ligand                     |
| Sequence           | SACIFPVILNELSSTVETITHFPEVTDGECVFPFHYKNGTTYDCIKSKARHKWCS<br>LNKTY                 |
| Storage            | Store at +4°C for short term storage. Long time storage is recommended at -20°C. |
| Target             | BSPH1                                                                            |
| Antibody Type      | Monoclonal Antibody                                                              |
| Application Dilute | IHC: 1:200 - 1:500                                                               |
