| Alternative Catalog Number | ASB-OCOA00346-20UG                                                                                                                                                                                   |
| Manufacturer               | Aviva                                                                                                                                                                                                |
| Host                       | Human                                                                                                                                                                                                |
| Category                   | Proteine/Peptide                                                                                                                                                                                     |
| Species Reactivity         | Human                                                                                                                                                                                                |
| Product Description        | BDNF/NT-3 growth factors receptor, BDNF/NT-3 growth factors receptor isoform b precursor [Homo sapiens], Homo sapiens neurotrophic receptor tyrosine kinase 2 (NTRK2), transcript variant b, mRNA... |
| Molecular Weight           | 53.1 kDa                                                                                                                                                                                             |
| Tag                        | C-MYC/DDK                                                                                                                                                                                            |
| NCBI                       | <a href="#">4915</a>                                                                                                                                                                                 |
