| Product Description        | Mouse LPCAT3 ELISA Kit is a sandwich Enzyme-Linked Immunosorbent Assay (sELISA) designed for the in vitro quantitative determination of mouse LPCAT3 in serum, plasma, tissue homogenates or other biological fluids.... |
| Range                      | 0.156-10 ng/ml                                                                                                                                                                                                           |
| Sensitivity                | 0.061 ng/ml                                                                                                                                                                                                              |
| Samples                    | Serum, plasma, tissue homogenates or other biological fluids.                                                                                                                                                            |
| Target                     | LPCAT3                                                                                                                                                                                                                   |
