| Manufacturer               | Antibodies.com                                                                                                      |
| Host                       | Rabbit                                                                                                              |
| Category                   | Antikörper                                                                                                          |
| Application                | WB                                                                                                                  |
| Species Reactivity         | Human, Mouse, Rat                                                                                                   |
| Immunogen                  | Recombinant fusion protein containing a sequence corresponding to amino acids 81-259 of human IGFBP1 (NP_000587.1). |
| Conjugation                | Unconjugated                                                                                                        |
| Product Description        | Rabbit polyclonal antibody to IGFBP1....                                                                            |
| Clonality                  | Polyclonal                                                                                                          |
| Concentration              | Lot Specific                                                                                                        |
| Molecular Weight           | 30 kDa                                                                                                              |
| Buffer                     | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol and 0.05% Proclin 300.                             |
| Form                       | Liquid                                                                                                              |

|                    |                                                                                                                                                                                                  |
