| Host                       | Rabbit                                                                                                   |
| Category                   | Antikörper                                                                                               |
| Application                | ICC, IHC, WB                                                                                             |
| Species Reactivity         | Human, Mouse, Rat                                                                                        |
| Immunogen                  | A synthetic peptide corresponding to a sequence within amino acids 1522-1621 of human NES (NP_006608.1). |
| Conjugation                | Unconjugated                                                                                             |
| Product Description        | Rabbit polyclonal antibody to Nestin....                                                                 |
| Clonality                  | Polyclonal                                                                                               |
| Concentration              | Lot Specific                                                                                             |
| Molecular Weight           | 150 kDa / 177 kDa                                                                                        |
| Buffer                     | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol and 0.05% Proclin 300.                  |
| Form                       | Liquid                                                                                                   |

|                    |                                                                                                          |
