## Product Datasheet

### **Anti-EPM2A/Laforin Antibody (Biotin) - Identical to Abcam (ab240469), Goat, Polyclonal ABC-A82630-10**

|                            |                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------|
| Article Name               | Anti-EPM2A/Laforin Antibody (Biotin) - Identical to Abcam (ab240469), Goat, Polyclonal     |
| Biozol Catalog Number      | ABC-A82630-10                                                                              |
| Supplier Catalog Number    | A82630-10                                                                                  |
| Alternative Catalog Number | ABC-A82630-10                                                                              |
| Manufacturer               | Antibodies.com                                                                             |
| Host                       | Goat                                                                                       |
| Category                   | Antikörper                                                                                 |
| Application                | ELISA, WB                                                                                  |
| Species Reactivity         | Human                                                                                      |
| Immunogen                  | Synthetic peptide corresponding to the internal region of human EPM2A/Laforin (Isoform a). |
| Conjugation                | Biotin                                                                                     |
| Product Description        | Goat polyclonal antibody to EPM2A/Laforin (Biotin)....                                     |
| Clonality                  | Polyclonal                                                                                 |
| Concentration              | 500 µg/ml                                                                                  |
| Molecular Weight           | 38 kDa                                                                                     |
| Buffer                     | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02% Sodium Azide.            |

|                    |                               |
|--------------------|-------------------------------|
| Form               | Liquid                        |
| Sequence           | C-EATGHTNEMKHTTD.             |
| Target             | EPM2A/Laforin                 |
| Antibody Type      | Primary Antibody              |
| Application Dilute | ELISA: 1:16,000, WB: 1-3μg/ml |
