| Article Name               | Anti-AIF Antibody - Identical to Abcam (ab205364) and Novus (NBP2-26265), Unconjugated, Goat, Polyclonal |
| Biozol Catalog Number      | ABC-A82698-10                                                                                            |
| Supplier Catalog Number    | A82698-10                                                                                                |
| Alternative Catalog Number | ABC-A82698-10                                                                                            |
| Manufacturer               | Antibodies.com                                                                                           |
| Host                       | Goat                                                                                                     |
| Category                   | Antikörper                                                                                               |
| Application                | ELISA, IF, IHC, WB                                                                                       |
| Species Reactivity         | Human, Mouse                                                                                             |
| Immunogen                  | Synthetic peptide corresponding to the internal region, amino acids 183-195, of human AIF.               |
| Conjugation                | Unconjugated                                                                                             |
| Product Description        | Goat polyclonal antibody to AIF....                                                                      |
| Clonality                  | Polyclonal                                                                                               |
| Concentration              | 500 µg/ml                                                                                                |
| Molecular Weight           | 70 kDa                                                                                                   |
| Buffer                     | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02% Sodium Azide.                          |

|                    |                                                                  |
|--------------------|------------------------------------------------------------------|
| Form               | Liquid                                                           |
| Sequence           | C-DDPNVTKTLRFKQ                                                  |
| Target             | AIF                                                              |
| Antibody Type      | Primary Antibody                                                 |
| Application Dilute | ELISA: 1:128,000, WB: 0.1-0.3μg/ml, IHC: 5-7μg/ml, IF: 5-10μg/ml |
