## Product Datasheet

### Anti-Aldolase Antibody, Unconjugated, Goat, Polyclonal ABC-A82729-100

|                            |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| Article Name               | Anti-Aldolase Antibody, Unconjugated, Goat, Polyclonal                                      |
| Biozol Catalog Number      | ABC-A82729-100                                                                              |
| Supplier Catalog Number    | A82729-100                                                                                  |
| Alternative Catalog Number | ABC-A82729-100                                                                              |
| Manufacturer               | Antibodies.com                                                                              |
| Host                       | Goat                                                                                        |
| Category                   | Antikörper                                                                                  |
| Application                | ELISA, WB                                                                                   |
| Species Reactivity         | Human, Mouse, Rat                                                                           |
| Immunogen                  | Synthetic peptide corresponding to the internal region (near N terminus) of human Aldolase. |
| Conjugation                | Unconjugated                                                                                |
| Product Description        | Goat polyclonal antibody to Aldolase....                                                    |
| Clonality                  | Polyclonal                                                                                  |
| Concentration              | 500 µg/ml                                                                                   |
| Molecular Weight           | 38 kDa                                                                                      |
| Buffer                     | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02% Sodium Azide.             |
| Form                       | Liquid                                                                                      |

|                    |                               |
|--------------------|-------------------------------|
| Sequence           | NSLACQGKYTPSGQ                |
| Target             | Aldolase                      |
| Antibody Type      | Primary Antibody              |
| Application Dilute | ELISA: 1:32,000, WB: 1-3μg/ml |
