| Article Name               | Anti-HNF-1B Antibody - Identical to Abcam (ab59118), Unconjugated, Goat, Polyclonal |
| Biozol Catalog Number      | ABC-A82987-10                                                                       |
| Supplier Catalog Number    | A82987-10                                                                           |
| Alternative Catalog Number | ABC-A82987-10                                                                       |
| Manufacturer               | Antibodies.com                                                                      |
| Host                       | Goat                                                                                |
| Category                   | Antikörper                                                                          |
| Application                | ELISA, ICC, WB                                                                      |
| Species Reactivity         | Human, Mouse                                                                        |
| Immunogen                  | Synthetic peptide corresponding to the internal region of human HNF-1B.             |
| Conjugation                | Unconjugated                                                                        |
| Product Description        | Goat polyclonal antibody to HNF-1B....                                              |
| Clonality                  | Polyclonal                                                                          |
| Concentration              | 500 µg/ml                                                                           |
| Molecular Weight           | 60 kDa                                                                              |
| Buffer                     | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02% Sodium Azide.     |

|                    |                                   |
|--------------------|-----------------------------------|
| Form               | Liquid                            |
| Sequence           | C-QAYDRQKNPSKEER                  |
| Target             | HNF-1B                            |
| Antibody Type      | Primary Antibody                  |
| Application Dilute | ELISA: 1:64,000, WB: 0.1-0.3μg/ml |
