| Article Name               | Anti-PSMB9 Antibody - Identical to Novus (NBP1-52090), Unconjugated, Goat, Polyclonal |
| Biozol Catalog Number      | ABC-A84878-10                                                                         |
| Supplier Catalog Number    | A84878-10                                                                             |
| Alternative Catalog Number | ABC-A84878-10                                                                         |
| Manufacturer               | Antibodies.com                                                                        |
| Host                       | Goat                                                                                  |
| Category                   | Antikörper                                                                            |
| Application                | ELISA, WB                                                                             |
| Species Reactivity         | Human, Rat                                                                            |
| Immunogen                  | Synthetic peptide corresponding to the internal region of human PSMB9.                |
| Conjugation                | Unconjugated                                                                          |
| Product Description        | Goat polyclonal antibody to PSMB9....                                                 |
| Clonality                  | Polyclonal                                                                            |
| Concentration              | 500 µg/ml                                                                             |
| Molecular Weight           | 22 kDa                                                                                |
| Buffer                     | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02% Sodium Azide.       |

|                    |                                |
|--------------------|--------------------------------|
| Form               | Liquid                         |
| Sequence           | C-RNISYKYRED                   |
| Target             | PSMB9                          |
| Antibody Type      | Primary Antibody               |
| Application Dilute | ELISA: 1:2,000, WB: 0.3-1µg/ml |
