| Host                       | Goat                                                                                                   |
| Category                   | Antikörper                                                                                             |
| Application                | ELISA, IHC, WB                                                                                         |
| Species Reactivity         | Human                                                                                                  |
| Immunogen                  | Synthetic peptide corresponding to the internal region, amino acids<br>48-60, of human Cytokeratin 20. |
| Conjugation                | Unconjugated                                                                                           |
| Product Description        | Goat polyclonal antibody to Cytokeratin 20....                                                         |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | 500 µg/ml                                                                                              |
| Molecular Weight           | 49 kDa                                                                                                 |
| Buffer                     | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02%<br>Sodium Azide.                     |

|                    |                                                   |
|--------------------|---------------------------------------------------|
| Form               | Liquid                                            |
| Sequence           | C-NSRHTVNYGSDLT                                   |
| Target             | Cytokeratin 20                                    |
| Antibody Type      | Primary Antibody                                  |
| Application Dilute | ELISA: 1:128,000, WB: 0.01-0.03μg/ml, IHC: 5μg/ml |
