## Product Datasheet

### Anti-ARHGEF4 Antibody [ARHGEF-08] (PE), IgG1, Mouse, Monoclonal ABC-A86417-100

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | Anti-ARHGEF4 Antibody [ARHGEF-08] (PE), IgG1, Mouse, Monoclonal         |
| Biozol Catalog Number      | ABC-A86417-100                                                          |
| Supplier Catalog Number    | A86417-100                                                              |
| Alternative Catalog Number | ABC-A86417-100                                                          |
| Manufacturer               | Antibodies.com                                                          |
| Host                       | Mouse                                                                   |
| Category                   | Antikörper                                                              |
| Application                | FC                                                                      |
| Species Reactivity         | Human                                                                   |
| Immunogen                  | Recombinant fragment of human ARHGEF4 (amino acids 143-271).            |
| Conjugation                | PE                                                                      |
| Product Description        | Mouse monoclonal [ARHGEF-08] antibody to ARHGEF4 (PE)....               |
| Clonality                  | Monoclonal                                                              |
| Concentration              | 100 µg/ml                                                               |
| Clone Designation          | [ARHGEF-08]                                                             |
| Isotype                    | IgG1                                                                    |
| Buffer                     | Supplied in Phosphate Buffered Saline, pH 7.4, with 15 mM Sodium Azide. |
| Form                       | Liquid                                                                  |

|                    |                                                    |
|--------------------|----------------------------------------------------|
| Target             | ARHGEF4                                            |
| Antibody Type      | Primary Antibody                                   |
| Application Dilute | Flow Cytometry: 1-5 µg/ml, Intracellular staining. |
