| Host                       | Rabbit                                                                                                                                                 |
| Category                   | Antikörper                                                                                                                                             |
| Application                | ELISA, IHC, WB                                                                                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                      |
| Immunogen                  | Synthetic peptide derived from human MKK6 around the phosphorylation site of Ser207 (amino acids 173-222).                                             |
| Conjugation                | Unconjugated                                                                                                                                           |
| Product Description        | Rabbit polyclonal antibody to MKK6 (phospho Ser207)....                                                                                                |
| Clonality                  | Polyclonal                                                                                                                                             |
| Molecular Weight           | 37kDa                                                                                                                                                  |
| Buffer                     | Supplied in Phosphate Buffered Saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, with 150mM NaCl, 0.02% Sodium Azide, and 50% Glycerol. |
| Form                       | Liquid                                                                                                                                                 |

|                    |                                                  |
|--------------------|--------------------------------------------------|
| Target             | MEK6                                             |
| Antibody Type      | Primary Antibody                                 |
| Application Dilute | WB: 1:500-1:1000, IHC: 1:50-1:100, ELISA: 1:5000 |
