| Host                       | Rabbit                                                                                                                           |
| Category                   | Antikörper                                                                                                                       |
| Application                | ICC, WB                                                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                |
| Immunogen                  | Recombinant fusion protein containing a sequence corresponding to amino acids 2230-2420 of human FAM38A/PIEZO1 (NP_001136336.2). |
| Conjugation                | Unconjugated                                                                                                                     |
| Product Description        | Rabbit polyclonal antibody to FAM38A/PIEZO1....                                                                                  |
| Clonality                  | Polyclonal                                                                                                                       |
| Concentration              | Lot Specific                                                                                                                     |
| Buffer                     | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol and 0.05% Proclin 300.                                          |
| Form                       | Liquid                                                                                                                           |

|                    |                                                                                                                                                                                                             |
