| Supplier Catalog Number    | A94550-100                                                                                                                                             |
| Alternative Catalog Number | ABC-A94550-100                                                                                                                                         |
| Manufacturer               | Antibodies.com                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                 |
| Category                   | Antikörper                                                                                                                                             |
| Application                | ELISA, IF, IHC, IP, WB                                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                      |
| Immunogen                  | Synthetic peptide derived from human HSP90B (amino acids 226-275).                                                                                     |
| Conjugation                | Unconjugated                                                                                                                                           |
| Product Description        | Rabbit polyclonal antibody to HSP90B....                                                                                                               |
| Clonality                  | Polyclonal                                                                                                                                             |
| Molecular Weight           | 83kDa                                                                                                                                                  |
| Buffer                     | Supplied in Phosphate Buffered Saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, with 150mM NaCl, 0.02% Sodium Azide, and 50% Glycerol. |
| Form                       | Liquid                                                                                                                                                 |
| Target                     | Hsp90 beta                                                                                                                                             |

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Antibody Type      | Primary Antibody                                                   |
| Application Dilute | WB: 1:500-1:1000, IHC: 1:50-1:100, IF: 1:100-1:500, ELISA: 1:40000 |
