| Article Name               | Anti-Interferon gamma Antibody [MTF19] (Biotin), IgG1, Mouse, Monoclonal |
| Biozol Catalog Number      | ABC-A269694-1                                                            |
| Supplier Catalog Number    | A269694-1                                                                |
| Alternative Catalog Number | ABC-A269694-1                                                            |
| Manufacturer               | Antibodies.com                                                           |
| Host                       | Mouse                                                                    |
| Category                   | Antikörper                                                               |
| Application                | ELISA, ELISpot                                                           |
| Species Reactivity         | Ferret                                                                   |
| Immunogen                  | Recombinant ferret Interferon gamma.                                     |
| Conjugation                | Biotin                                                                   |
| Product Description        | Mouse monoclonal [MTF19] antibody to Interferon gamma (Biotin)....       |
| Clonality                  | Monoclonal                                                               |
| Concentration              | 500 µg/ml                                                                |
| Clone Designation          | [MTF19]                                                                  |
| Isotype                    | IgG1                                                                     |
| Buffer                     | Supplied in Phosphate Buffered Saline with 0.02% Sodium Azide.           |

|               |                  |
|---------------|------------------|
| Form          | Liquid           |
| Target        | Interferon gamma |
| Antibody Type | Primary Antibody |
