| Host                       | Rabbit                                                                                              |
| Category                   | Antikörper                                                                                          |
| Application                | IHC, WB                                                                                             |
| Species Reactivity         | Human, Mouse, Rat                                                                                   |
| Immunogen                  | A synthetic peptide corresponding to a sequence within amino acids 1-100 of human TMPRSS2 (O15393). |
| Conjugation                | Unconjugated                                                                                        |
| Product Description        | Rabbit monoclonal [ARC1439] antibody to TMPRSS2....                                                 |
| Clonality                  | Monoclonal                                                                                          |
| Concentration              | Lot Specific                                                                                        |
| Clone Designation          | [ARC1439]                                                                                           |
| Molecular Weight           | 52 kDa                                                                                              |

|                    |                                                                                                         |
|--------------------|---------------------------------------------------------------------------------------------------------|
| Buffer             | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol, 0.05% BSA, and 0.02% Sodium Azide.    |
| Form               | Liquid                                                                                                  |
