| Alternative Catalog Number | ABC-A317380-500                                                                                                                      |
| Manufacturer               | Antibodies.com                                                                                                                       |
| Host                       | Rabbit                                                                                                                               |
| Category                   | Antikörper                                                                                                                           |
| Application                | ELISA, FC                                                                                                                            |
| Species Reactivity         | Human                                                                                                                                |
| Conjugation                | Biotin                                                                                                                               |
| Product Description        | Recombinant rabbit monoclonal [DM79] antibody to GITR (Biotin)....                                                                   |
| Clonality                  | Monoclonal                                                                                                                           |
| Concentration              | Reconstitution dependent.                                                                                                            |
| Clone Designation          | [DM79]                                                                                                                               |
| Buffer                     | Lyophilized from sterile Phosphate Buffered Saline, pH 7.4. Normally 5%-8% Trehalose is added as a protectant before lyophilization. |
| Form                       | Lyophilized                                                                                                                          |

|                    |                                              |
|--------------------|----------------------------------------------|
| Target             | GITR                                         |
| Antibody Type      | Primary Antibody                             |
| Application Dilute | ELISA: 1:5,000-10,000, Flow Cytometry: 1:100 |
