| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Application                | Activity Assay, Cell Culture                                                                                                                                                                                                                                  |
| Species Reactivity         | Rat                                                                                                                                                                                                                                                           |
| Conjugation                | Unconjugated                                                                                                                                                                                                                                                  |
| Product Description        | Rat Tissue Inhibitors Of Metalloproteinase 1 is a purified Active Protein. Purity: >90% by SDS-PAGE. Host: 293F Cell. Endotoxin Level: <1.0EU per 1ug, by the LAL method. Species: Rat. Target Name: Tissue Inhibitors Of Metalloproteinase 1. Accession N... |
| Molecular Weight           | 30kDa                                                                                                                                                                                                                                                         |
| Tag                        | N-Terminal His Tag                                                                                                                                                                                                                                            |
| NCBI                       | <a href="#">116510</a>                                                                                                                                                                                                                                        |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                                                                                                                                                                       |
| Expression System          | Eukaryotic expression                                                                                                                                                                                                                                         |
| Purity                     | >90% by SDS-PAGE                                                                                                                                                                                                                                              |
