| Host                       | Rabbit                                                                                       |
| Category                   | Antikörper                                                                                   |
| Application                | WB                                                                                           |
| Species Reactivity         | All                                                                                          |
| Immunogen                  | Recombinant Discosoma sp. mCherry Protein                                                    |
| Conjugation                | Unconjugated                                                                                 |
| Product Description        | This is a mCherry-Tag Polyclonal Antibody from Reddot Biotech Inc. For research use only.... |
| Clonality                  | Polyclonal                                                                                   |
| Concentration              | 1.2mg/mL                                                                                     |
| Molecular Weight           | 20kDa                                                                                        |
| UniProt                    | <a href="#">X5DSL3</a>                                                                       |
| Buffer                     | PBS with 0.02% sodium azide, 50% glycerol,pH 7.4                                             |

|                    |                               |
|--------------------|-------------------------------|
| Purity             | Antigen affinity purification |
| Application Dilute | WB 1:1000-1:2000              |
