| Article Name               | Adiponectin Polyclonal Antibody, Unconjugated, Rabbit                                           |
| Biozol Catalog Number      | RDD-RD86673A                                                                                    |
| Supplier Catalog Number    | RD86673A                                                                                        |
| Alternative Catalog Number | RDD-RD86673A-20,RDD-RD86673A-50,RDD-RD86673A-100,RDD-RD86673A-200                               |
| Manufacturer               | reddot Biotech                                                                                  |
| Host                       | Rabbit                                                                                          |
| Category                   | Antikörper                                                                                      |
| Application                | ELISA, WB                                                                                       |
| Species Reactivity         | Human, Mouse                                                                                    |
| Immunogen                  | Recombinant Human Adiponectin protein expressed by E.coli.                                      |
| Conjugation                | Unconjugated                                                                                    |
| Product Description        | This is a Adiponectin Polyclonal Antibody from Reddot Biotech Inc.<br>For research use only.... |
| Clonality                  | Polyclonal                                                                                      |
| Concentration              | 2.3mg/mL                                                                                        |
| Molecular Weight           | 57kDa                                                                                           |
| NCBI                       | <a href="#">9370</a>                                                                            |
| UniProt                    | <a href="#">Q15848</a>                                                                          |

|                    |                                                  |
|--------------------|--------------------------------------------------|
| Buffer             | PBS with 0.02% sodium azide, 50% glycerol,pH 7.4 |
| Purity             | Antigen affinity purification                    |
| Application Dilute | WB 1:500-1:1000                                  |
