| Category                   | Kits/Assays                                                                                                                                                                                                                  |
| Application                | ELISA                                                                                                                                                                                                                        |
| Species Reactivity         | Human                                                                                                                                                                                                                        |
| Product Description        | This Human Calpain 3 (CAPN3) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in tissue homogenates and other biological fluids . This product is for Research Use Only.... |
| Range                      | 0.312-20ng/mL                                                                                                                                                                                                                |
| Sensitivity                | 0.125ng/mL                                                                                                                                                                                                                   |
| NCBI                       | <a href="#">3700</a>                                                                                                                                                                                                         |
| UniProt                    | <a href="#">B2RMS9</a>                                                                                                                                                                                                       |
| Samples                    | tissue homogenates and other biological fluids                                                                                                                                                                               |
| Target                     | Human Calpain 3 (CAPN3)                                                                                                                                                                                                      |
| Application Notes          | Assay Length: 4.5 hours. Experimental Method: Sandwich                                                                                                                                                                       |
