| Species Reactivity         | Mouse                                                                                                                                                                                                                                      |
| Product Description        | This Mouse Macrophage Colony-Stimulating Factor 1 Receptor (CSF1R) ELISA Kit is a Sandwich ELISA assay that will detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates and other biological fluids.... |
| Range                      | 0.156-10ng/mL                                                                                                                                                                                                                              |
| Sensitivity                | 0.059ng/mL                                                                                                                                                                                                                                 |
| NCBI                       | <a href="#">12978</a>                                                                                                                                                                                                                      |
| UniProt                    | <a href="#">P09581</a>                                                                                                                                                                                                                     |
| Samples                    | serum, plasma, tissue homogenates, cell lysates and other biological fluids.                                                                                                                                                               |
| Application Notes          | Assay Length: 4.5 hours.Experimental Method: Sandwich                                                                                                                                                                                      |
