| Category                   | Kits/Assays                                                                                                                                                                                                             |
| Application                | ELISA                                                                                                                                                                                                                   |
| Species Reactivity         | Mouse                                                                                                                                                                                                                   |
| Product Description        | This Mouse Fibulin 7 (FBLN7) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma and other biological fluids . This product is for Research Use Only.... |
| Range                      | 0.156-10ng/mL                                                                                                                                                                                                           |
| Sensitivity                | 0.053ng/mL                                                                                                                                                                                                              |
| NCBI                       | <a href="#">79135</a>                                                                                                                                                                                                   |
| UniProt                    | <a href="#">Q9BUR5</a>                                                                                                                                                                                                  |
| Samples                    | serum, plasma and other biological fluids                                                                                                                                                                               |
| Target                     | Mouse Fibulin 7 (FBLN7)                                                                                                                                                                                                 |
| Application Notes          | Assay Length: 4.5 hours. Experimental Method: Sandwich                                                                                                                                                                  |
