| Application                | ELISA                                                                                                                                                                                                                                                         |
| Species Reactivity         | Porcine                                                                                                                                                                                                                                                       |
| Product Description        | This Porcine Insulin Like Growth Factor Binding Protein 3 (IGFBP3) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates and other biological fluids . This product is fo... |
| Range                      | 3.125-200ng/mL                                                                                                                                                                                                                                                |
| Sensitivity                | 1.485ng/mL                                                                                                                                                                                                                                                    |
