| Category                   | Kits/Assays                                                                                                                                                                                            |
| Species Reactivity         | Bovine                                                                                                                                                                                                 |
| Product Description        | This Bovine Leukemia Inhibitory Factor (LIF) ELISA Kit is a Sandwich ELISA assay that will detect and quantify the target analyte in serum, plasma, tissue homogenates and other biological fluids.... |
| Range                      | 31.25-2000pg/mL                                                                                                                                                                                        |
| Sensitivity                | 11.5pg/mL                                                                                                                                                                                              |
| NCBI                       | <a href="#">2739</a>                                                                                                                                                                                   |
| UniProt                    | <a href="#">Q04760</a>                                                                                                                                                                                 |
| Samples                    | serum, plasma, tissue homogenates and other biological fluids.                                                                                                                                         |
| Application Notes          | Assay Length: 4.5 hours .Experimental Method: Sandwich                                                                                                                                                 |
