| Alternative Catalog Number | RDD-RD-LOX1-B-96,RDD-RD-LOX1-B-48                                                                                                                                                                                |
| Manufacturer               | reddot Biotech                                                                                                                                                                                                   |
| Category                   | Kits/Assays                                                                                                                                                                                                      |
| Species Reactivity         | Bovine                                                                                                                                                                                                           |
| Product Description        | This Bovine Lectin Like Oxidized Low Density Lipoprotein Receptor 1 (LOX1) ELISA Kit is a Sandwich ELISA assay that will detect and quantify the target analyte in serum, plasma and other biological fluids.... |
| Range                      | 31.25-2000pg/mL                                                                                                                                                                                                  |
| Sensitivity                | 13.2pg/mL                                                                                                                                                                                                        |
| NCBI                       | <a href="#">281368</a>                                                                                                                                                                                           |
| UniProt                    | <a href="#">P79391</a>                                                                                                                                                                                           |
| Samples                    | serum, plasma and other biological fluids.                                                                                                                                                                       |
| Application Notes          | Assay Length: 4.5 hours .Experimental Method: Sandwich                                                                                                                                                           |
