| Product Description        | This Human Lysyl Oxidase Like Protein 2 (LOXL2) ELISA Kit is a Sandwich ELISA assay that will detect and quantify the target analyte in serum, plasma, tissue homogenates and other biological fluids.... |
| Range                      | 0.156-10ng/mL                                                                                                                                                                                             |
| Sensitivity                | 0.058ng/mL                                                                                                                                                                                                |
| NCBI                       | <a href="#">2811</a>                                                                                                                                                                                      |
| UniProt                    | <a href="#">P07359</a>                                                                                                                                                                                    |
| Samples                    | serum, plasma, tissue homogenates and other biological fluids.                                                                                                                                            |
| Application Notes          | Assay Length: 4.5 hours .Experimental Method: Sandwich                                                                                                                                                    |
