| Application                | ELISA                                                                                                                                                                                                                                   |
| Species Reactivity         | Rat                                                                                                                                                                                                                                     |
| Product Description        | This Rat Matrix Metalloproteinase 13 (MMP13) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma and other biological fluids . This product is for Research Use Only.... |
| Range                      | 0.312-20ng/mL                                                                                                                                                                                                                           |
| Sensitivity                | 0.138ng/mL                                                                                                                                                                                                                              |
