| Product Description        | This Human Myosin Heavy Chain 7, Cardiac Muscle, Beta (MYH7) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates and other biological fluids . This produ... |
| Range                      | 0.156-10ng/mL                                                                                                                                                                                                                                                 |
| Sensitivity                | 0.053ng/mL                                                                                                                                                                                                                                                    |
| NCBI                       | <a href="#">374270</a>                                                                                                                                                                                                                                        |
| UniProt                    | <a href="#">Q70XC4</a>                                                                                                                                                                                                                                        |
| Samples                    | serum, plasma, tissue homogenates, cell lysates and other biological fluids                                                                                                                                                                                   |
| Target                     | Human Myosin Heavy Chain 7, Cardiac Muscle, Beta (MYH7)                                                                                                                                                                                                       |
| Application Notes          | Assay Length: 4.5 hours. Experimental Method: Sandwich                                                                                                                                                                                                        |
