| Category                   | Kits/Assays                                                                                                                                                                                                 |
| Species Reactivity         | Rat                                                                                                                                                                                                         |
| Product Description        | This Rat Angiotensin I Converting Enzyme 2 (ACE2) ELISA Kit is a Sandwich ELISA assay that will detect and quantify the target analyte in serum, plasma, tissue homogenates and other biological fluids.... |
| Range                      | 0.781-50ng/mL                                                                                                                                                                                               |
| Sensitivity                | 0.25ng/mL                                                                                                                                                                                                   |
| NCBI                       | <a href="#">8743</a>                                                                                                                                                                                        |
| UniProt                    | <a href="#">P50591</a>                                                                                                                                                                                      |
| Samples                    | serum, plasma, tissue homogenates and other biological fluids.                                                                                                                                              |
| Application Notes          | Assay Length: 3 hours.Experimental Method: Sandwich                                                                                                                                                         |
