| Application                | ELISA                                                                                                                                                                                                                                         |
| Species Reactivity         | Mouse                                                                                                                                                                                                                                         |
| Product Description        | This Mouse Caspase 12 (CASP12) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates and other biological fluids . This product is for Research Use Only.... |
| Range                      | 0.156-10ng/mL                                                                                                                                                                                                                                 |
| Sensitivity                | 0.065ng/mL                                                                                                                                                                                                                                    |
| NCBI                       | <a href="#">25650</a>                                                                                                                                                                                                                         |
