| Species Reactivity         | Bovine                                                                                                                                                                                                                                                        |
| Product Description        | This Bovine Macrophage Inflammatory Protein 1 Beta (MIP1b) ELISA Kit is a Sandwich ELISA assay that will detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids.... |
| Range                      | 31.2-2000pg/mL                                                                                                                                                                                                                                                |
| Sensitivity                | 9.8pg/mL                                                                                                                                                                                                                                                      |
